Hourly Transportation Overage Charges.

Hourly transportation services are calculated from the time the vehicle departs the Cheers! yard to the time it returns. If guests wish to extend their service beyond the predetermined duration, approval from the office must be obtained by the driver prior to extending the service.

Transportation Waiting Charges (Not airport shuttles).

Transportation has a pick-up window of 15 minutes. For example, if the pick-up is set for 4 PM guests will have until 4:15 to begin loading before waiting charges apply.

Waiting charges are \$75 for every half-hour the vehicle and driver are waiting past the predetermined 15-minute pick-up window.

Guests have up to 1 hour prior to their predetermined pick-up time to make any adjustments. Adjustments are free and guests are encouraged to contact the office or driver, if known, and alter their pick-up time should any unforeseen delays occur.

Avoid waiting charges by including a time buffer when determining your pick-up time.

Cleaning Fee.

Spills and excessive soiling are subject to a minimum \$250 cleaning fee.

Alcohol.

BC Liquor Control and Licensing Act - Section 76

The Province of British Columbia prohibits open liquor to be readily accessible by the driver or passengers in motor vehicles. There is a \$230 Fine per person and all liquor is confiscated and destroyed.
